Secular Buddhism and the Timeless:

A Conversation with
Stephen Batchelor and Bhikkhu Santi

Join us for a public installment of an ongoing, unlikely conversation between the instigator of Secular Buddhism and a free-range but fully ordained Theravada monk. Stephen and Ven. Santi will discuss *Buddha, Socrates and Us: Notes for an Ethics of Uncertainty* (Stephen's forthcoming book, from Yale University Press); meanings of monasticism from and for science-informed, politics-alert viewpoints; writing and the creative life; and the import of ancient wisdom for our contemporary moment.

Q&A to follow.
